Dear Brother:-

Your favor of the 18th inst. is received and by Parcel Post we are sending you four large and four small photos of scenes in the flood district. The other three photos are copyrighted. In order to use these you will have to make arrangements with the photographer.

We are inclosing bill for \$8.00 being \$1.00 each. We are sending the original photos as we believe you will get better negatives than if we were to send proofs only.

Trusting you will have success in your lecture course and with kind Christian regards, we remain,

Yours in the work,

SOUTHERN PUBLISHING ASSOCIATION,
