Monroe

Dear Ellen,

Brother Lindsay brought me your letter, nine days old. I was extremely glad to hear from you, and am greatly relieved. Hope to hear from you again before I leave Monroe, so as to get latest news.

I am as well as usual this morning. Have had an excellent time praying.

Sister Ingraham has a daughter about ten months old, fine in all. It is rather an interesting family.

As to Brother Lyon's cow, if Myram cannot afford to help it, I cannot.

Tell Edson that I think his call for a cow to feed the four boys is just, and I will get a good new milch cow as soon as I can when I get home.

I am glad to hear from Brethren Butler, Waggoner, Holt, Lough., but I do not ask you to weary yourself with long letters. Your care for me is great. May God help you and the children.

Love to all the church.

In haste,

James White
