Brother Edwards:

Please send me to Potterville by express 50 Testimony No. 30.

Ask Mary Ann Davis to go to the house and get me a clean shirt, a bosom, and two
collars, and a pair of wristers, and put in the package and let all come by express.

I shall telegraph from Charlotte for Ella Carman to come. She can
bring these things if the letter reaches you in season.

(Signed) James White

P. S. Wife is pretty well for her, and we think of going on to Brother
Carman's [?] in a short time.
