

JW postscript to EGW Lt 26, 1850, Nov. 1, 1850, Paris, Maine

My Dear Bro & Sister Loveland—

I hope to send you some papers soon. The chart is being executed in Boston. God is in it. Bro. Nichols has the charge of it. I do want to see you, but I do not see how we can leave here at present. Let me say to you all, Follow the light given at Sutton. Amen. Be strong. Much love to every whole-hearted soul in your letter band.—James White
