HOME AGAIN

In company with Brother Gillett, formerly from Monroe, Wis., we left Oakland, May 31, and arrived at Battle Creek, Mich., June 5. Mrs. White will attend the Oregon camp-meeting, and will probably join us at the General Conference the 1st of September.

PRESENT AND FUTURE

At the present we are happily situated with our son and daughter at Battle Creek, Mich., and are taking treatment every day at the Sanitarium, where we receive special attention from two helpers; but, notwithstanding this treatment and restricted diet, we have gained four pounds since we arrived.

We are now preparing a volume containing the reasons of our faith and hope. In about ten days we design to go to Colorado and spend the months of July and August, where we hope to meet Mrs. White and return with her to the General Conference.

We here wish to express our grateful thanks to our brethren for their kindness and their prayers to God in whom we have trusted from our youth.
