Sept. 23, Monday

IOWA CAMP-MEETING

The Iowa camp-meeting was held at Oskaloosa, Iowa, September 18-23. . .

Monday our hearts were made glad by the arrival of Brother White, who was on his way to Battle Creek. His greatly improved health was a source of joy to us all, and his good courage in God seemed to beget the same spirit in others. He was able to speak several times, with great clearness and power. The different missions received their share of attention. . . .
