STATEMENTS REGARDING CHRIST'S OBJECT LESSONS

DF

"My brethren and sisters, have you done all that can be done in your vicinity to circulate Christ's Object Lessons? This is an evangelistic work. May the Lord stir up the minds of our people to take hold of this work anew, and to act their part in diffusing the precious light contained in Object Lessons. The reading of this book will remove many difficulties from minds. Its circulation is one of the means ordained of God for reaching the people, and overcoming prejudice. By the sale of this book, the gospel is introduced into the homes of the people!"--Manuscript 180, 1905.

To her son Willie Sister White wrote on August 20, 1907 that Christ's Object Lessons would "be a means of bringing many souls to the knowledge of the truth. This book should come into circulation, for it contains precious truth for the people."--Letter W420, 1907 --

"Yesterday morning I read in the Review and Herald an account of what has been accomplished in the recent effort to sell Object Lessons. I am very much pleased with what has been done. . . . The saving of many precious souls will be the result of the work done in canvassing for Object Lessons."--Manuscript 56, 1902.

"I thank my heavenly Father for the interest that my brethren and sisters have taken in the circulation of Christ's Object Lessons. By the sale of this book great good has been accomplished and the work should be continued. . . . Sister White is not the originator of these books [C.O.L., P.P., G.C. and D.A.]. They contain the instruction that during her lifework God has been giving her. They contain the precious, comforting light that God has graciously given His

servant to be given to the world. From their pages this light is to shine into the hearts of men and women, leading them to the Saviour. The Lord has declared that these books are to be scattered throughout the world. There is in them truth which to the receiver is a savor of life unto life. They are silent witnesses for God. . . ."--Colporteur Ministry, pp. 124, 125. [See entire statement in Colporteur Ministry]

To Elder Haskell she wrote: "This book will never grow old."--Leaflet "The Relief of the Schools," p. 14.

W. C. White wrote in Ibid, p. 15: "It is a magnificent work, and one that will be appreciated by rich and poor, educated and unlearned. People of all nations, of all classes, of all stations in life, will enjoy it, and be blessed by it. . . ."
