Dear Dr.

I find on my desk an inquiry referred to me as to why Testimony No. 4 was not included in Spiritual Gifts, vol. 4. May I suggest that you turn to the "Remarks" which precede the testimony material as republished in Spiritual Gifts, vol. 4, and you will find Mrs. White's own explanation. It reads as follows: "Most of Testimony No. 4 may be found in the second volume of Spiritual Gifts, hence, it is omitted in this volume. E.G.W." This statement as a whole gives Ellen White's explanation and introduction to the Testimonies as they appear in Spiritual Gifts. They had appeared earlier in numbered pamphlets and of course they appeared later in their entirety in the publication of the Testimonies, No. 4 is to be found in Volume 1, pages 154-184.

We are happy to give information which may be of service to those who are studying the E. G. White books.

With the best of wishes, I am

Sincerely your brother,

Arthur L. White, Secretary
