DF

I 166-a-1899 Oct. 24, 1899

I am trying to plan, and I feel free, although I have had no special light that I should do this, with the exception of a mind and will to do it to give royalty on the book now coming out on the Parables, to be used in all countries, to be translated into other languages, and help them in foreign countries, to help them in the school.
