Dear Sister

You have written asking concerning the statements made by Sister White relative to amalgamation of man and beast. Elder Nichol has dealt with this question presenting the question from two different viewpoints. I suppose we will have no positive answer to this question until we will get into the kingdom. I am sure that the material which Elder Nichol has presented will be of service to you as you give study to this question.

With the best of wishes, I am

Sincerely your brother,

Arthur L. White, Secretary
