Dear Miss

Your letter of August 13 has been referred to Elder White for reply, but since he will not be back into the office until the latter part of September, I am sending you a copy of a letter he wrote answering a similar question, which I think covers the question quite fully.

If, after you have read his letter, and you have further questions, please feel free to write to us again, and by that time Elder White will be in the office, and will be glad to answer your questions for you.

You will find an excellent section in the Adventist Home, pages 162 to 166, which deals with this topic on the basis of general principles, but which will be helpful in answering the questions you and your husband-to-be have in mind.

Sincerely yours,

Secretary to Arthur L. White
