Dear Sister

We received your letter in today's mail in which you ask if there are any references in the Spirit of Prophecy to hats. In regard to this question, I am sending you a letter which Elder White has written previously to answer a similar question, and I am also listing the references in which Ellen White refers to hats and bonnets as found in the Spirit of Prophecy: Spiritual Gifts, volume 2, page 189; Testimonies, volume 1, pages 20, 135, 189, 251, 252, 275.

You also ask an explanation of Genesis 6:2 where it speaks of the "sons of God," and you ask, Who are they? In Spiritual Gifts, volume 3, page 60, we read:

"The descendants of Seth were called the sons of God--the descendants of Cain, the sons of man."

We trust this information will be of help <sup>to</sup> you, and if we can help you further, please let us hear from you again. <sup>^</sup>

Sincerely yours,

Secretary to Arthur L. White
