Dear Brother Rea:

We received your letter in this morning's mail in which you ask us to verify the statement that "Jones and Waggoner had their counterpart in Joshua and Caleb," which appeared recently in Present Truth Gospel Broadcasting and Publishing Association. This is not an E. G. White statement.

I am glad that you have written to us about this matter, for it is very important that, regardless of their nature, we do not attribute to Ellen White statements for which we have no definite source.

If we can be of any further assistance to you, please feel free to write to us again.

Sincerely your brother,

Arthur L. White, Secretary  
Ellen G. White Publications

Dear Sir:

Some time ago the following article came to my attention and I am wondering if it is a true one, written by Mrs White.

@I saw that Jones and Waggoner had their counterpart in Joshua and Caleb. --I also saw that if you had accepted their message we would have been in the kingdom two years from that date, but now we have to go back into the wilderness and there stay forty years.
